

2368 - Latecomer following another latecomer in prayer

the question

Al salam alykom..

if i pray (ma'mom) and the immam finished the salaht.. but I didn't so I stood to complete my salaht .. then a person came to pray with me as a ma'mom ? Is my immamah correct?
wa jazak allah kyan.

Detailed answer

Praise be to Allah.

If a person joins you wanting to pray with you, and you make the intention of leading him in prayer, this is OK.

The author of the book Nihaayat al-Zayn fi Irshaad al-Mubtadieen (p. 127) said: If the imaam says salaam then one latecomer decides to follow another latecomer in prayer, this is OK.

And Allah knows best.
