48961 - She did ‘umrah and forgot to cut her hair, then she did ‘umrah again

the question

I did ‘umrah and forgot to cut my hair, then I went and entered ihraam for another ‘umrah [straight after the first one], and I did tawaaf and saa’i then cut my hair. What is the ruling on my first and second ‘umrahs, and what should I do?.

Detailed answer

Praise be to Allah.

I asked our Shaykh ‘Abd al-Rahmaan al-Barraak about this and he replied:

Doing one ‘umrah after another is not valid according to the fuqaha’ of the Muslims, so the second ‘umrah does not count and the cutting of the hair is counted for the first ‘umrah.
