

## 9167 - Can the Muslims pray for rain in the land of the kuffaar

---

### the question

There is a Muslim community living in a kaafir land where the rains are late. Is it permissible for them to pray for rain, since if rain comes it will benefit the kuffaar too?

### Detailed answer

Praise be to Allah.

We asked Shaykh 'Abd-Allaah ibn 'Abd al-Rahmaan al-Jibreen, may Allaah preserve him, and he answered as follows:

It is permissible for Muslims to pray for rain in the land of the kuffaar even if that will benefit the kuffaar too.
