10313 - Women wearing anklets

the question

Is it allowed for women to wear gold in the legs in the form of an anklet?

Detailed answer

Praise be to Allah.

It is permissible for women to wear anklets on their legs for the purpose of beautification, but they should not shake them in front of non-mahram men to attract attention to them, as Allaah says (interpretation of the meaning):

“And let them not stamp their feet so as to reveal what they hide of their adornment”
