

## **104500 - Daa'iyah asking about books on the topic of takfeer, implementation of sharee'ah and seeking the help of the Prophet (peace and blessings of Allah be upon him)**

---

### **the question**

I am doing da'wah, and I have been asked some questions about takfeer and rebelling against rulers, and also about seeking intercession through the Prophet (peace and blessings of Allah be upon him) and asking him for help. Can you tell me of some sources that give answers to such problems, or answer them?.

### **Detailed answer**

Praise be to Allah.

We ask Allah to bless your efforts and to increase you in knowledge, guidance and strength.

With regard to the first question, there follow some books which we recommend to you:
