

106546 - He cut his hair but then he found out about the reward for shaving; should he shave his head after cutting his hair?

the question

I cut my hair after exiting ihraam but now I want to shave my head after tawaaf al-ifaadah. Will I have the reward of those who shave their heads, for whom the Prophet (peace and blessings of Allaah be upon him) prayed?.

Detailed answer

When this man cut his hair, he did the ritual so he cannot repeat it by shaving his head. But in future years in sha Allah, he should be keen to shave his head in Hajj, and cut his hair in ‘Umrah if he does Hajj Tamattu’, because the Prophet (peace and blessings of Allaah be upon him) prayed three times for those who shaved their heads and after the Sahaabah requested him, he prayed the fourth time for those who cut their hair.
