---

### the question

Is `umrah on the day of the standing in `Arafah makruh?

### Summary of answer

There is nothing wrong with doing 'Umrah on the Day of 'Arafah or the Day of 'Eid because 'Umrah can be done at all times.

### Detailed answer

Praise be to Allah.

“If a person is not doing Hajj and he does `umrah on the [day of `Arafah](#) or the [day of `Eid](#) , there is nothing wrong with this, because doing `umrah is permissible at all times and there is not a specific time for it, as there is in the case of Hajj. So whenever a person does it, it is a valid `umrah and we ask Allah to accept it from us and from him.”
