

10777 - Who are Ahl al-Sunnah wa'l-Jamaa'ah?

the question

Who are Ahl al-Sunnah wa'l-Jamaa'ah?

Detailed answer

Ahl al-Sunnah wa'l-Jamaa'ah are those who adhere to the Sunnah and who unite upon it, not turning to anything else, whether that be in matters of belief ('aqeedah) or matters of actions which are subject to shar'i rulings. Hence they are called Ahl al-Sunnah because they adhere to it (the Sunnah), and they called Ahl al-Jamaa'ah because they are united (mujtami'oon) in following it.

If you examine the followers of bid'ah (innovation), you will find that they differ concerning that which they are following, with regard to beliefs, methodology and practices, which indicates that their being far removed from the Sunnah is commensurate with the extent to which they have introduced innovations.
