21797 - Printing the Qur'aan is not one of the things that zakaah should be spent on

the question

There is a charitable organization that distributes and prints the Holy Qur'aan, and translates its meanings into many different languages. Is it permissible to give zakaah money for this project?

Detailed answer

Praise be to Allah.

The apparent meaning of the Qur'aan indicates that zakaah should not be spent on this project, because it is not one of the groups on which zakaah is to be spent, as mentioned in the aayah (interpretation of the meaning):

“As-Sadaqaat (here it means Zakaah) are only for the Fuqaraa' (poor), and Al-Masaakeen (the poor)...”[al-Tawbah 9:60]

The Council of Senior Scholars issued a statement saying that zakaah money should not be given to this project, as stated above.

And Allaah knows best.
