

22757 - Does touching a woman invalidate wudu?

the question

Is it true that you have to renew your wudu each time you touch a non mahram woman?.

Detailed answer

It is not permissible for a man who believes in Allah and the Last Day to touch a woman who is not his mahram. For details of evidence and views of the scholars, please see the answer to question no. [21183](#)

With regard to whether wudu is broken by touching a woman, there is a difference of opinion among the scholars. The correct view is that it does not invalidate wudu – see question no. [2178](#) – and it makes no difference whether the woman is his mahram, his wife or a non-mahram.

And Allah knows best.
