

2439 - Stopping opening du'a; to listen to the imaam's recitation

the question

Sometimes when I pray behind the Imam, the Imam will start reading the fatihah almost immediately. Should I finish the opening du'a, or stop and listen to the Imam's recitation?

Detailed answer

What you should do is listen to the imaams recitation, because Allaah says (interpretation of the meaning): So, when the Quraan is recited, listen to it, and be silent that you may receive mercy. [al-Araaf 7:204].

And Allaah knows best.
