## **3934 - How should zakaah be paid on investment accounts that contain both donated money and private funds?**

---

### **the question**

Islamic centers in the west often have investments (halal), mainly profits from joint partnerships and other non-share investments. Is zakah due on the profits of these investments and any other donations to the Islamic Center?

Jazak Allah.

### **Detailed answer**

Praise be to Allah.

This question was answered for us by Shaykh 'Abd-Allaah ibn Qa'ood as follows:

The shareholders must pay zakaah on their own behalf, but no zakaah is due on the profits stemming from donations.
