498 - What do Muslims Believe?

the question

What do Muslims Believe?

Detailed answer

Praise be to Allah.

Muslims believe in one, unique, incomparable, and singular God, whose name in Arabic is "Allaah", literally meaning "The God"; in the angels created by Him; in the prophets through whom His revelations were brought to mankind; in God's complete authority over human destiny, and in life after death.

Muslims believe in a chain of prophets (may the peace and blessings of Allaah be upon them all) starting with Adam and including Noah, Abraham, Ishmael, Isaac, Jacob, Joseph, Job, Moses, Aaron, David, Solomon, Elias, Jonah, John the Baptist and Jesus, peace be upon them.

God's final message to man, a reconfirmation of the eternal message and a summing-up, synopsis, and perfection of all that has gone before was revealed to the Prophet Muhammad , peace be upon him, the last prophet, through the angel Gabriel.
