597 - Ja'mmaa'a Prayer with a man and a woman only

the question

Can a muslim one man and one woman perform janaat together?

Detailed answer

Praise be to Allah.

Yes, it is permissible for one man to pray jamaa'ah (in congregation) with one woman (say his wife). She would stand behind him. (Note from the translator: It should be understood that this would not substitute the man praying jamaa'ah in the mosque whenever applicable.)

wallaahu a'lam.
