

3975 - Marrying a non-Muslim woman in order to obtain settlement visa

the question

i wanna marry a non muslim woman just for papers, without really practicing sex
should i do sex with her even if i just want to take the papers?is it possible to marry her for that
purpose?

Detailed answer

Praise be to Allah.

We put this question to Shaykh Muhammad ibn Saalih al-'Uthaymeen, may Allaah preserve him,
who answered as follows:

If she is one of those whom it is permissible to marry, then there is nothing wrong with that,
because the Prophet (peace and blessings of Allaah be upon him) said: "A woman may be married
for four things" and he mentioned wealth as one of them... and this is akin to that. If he marries
her in order to obtain the settlement visa, he should not have the intention of divorcing her as
soon as he gets his settlement. And Allaah knows best.
