

## 587 - Permissibility of contraception

## the question

Is contraception allowed?

## **Detailed answer**

Praise be to Allah.

Al-hamdu lillaah.

Contraception is permitted under the following conditions:

- 1. Mutual agreement of both husband and wife.
- 2. It does not cause harm.
- 3. It is not be practiced on a permanent basis, but rather for a temporary period (such as two years until the breastfeeding of the current baby is completed, for example).
