

## 10008 - Does the prohibition on leaving the mosque after the adhaan apply to women too?

## the question

Does the hadeeth which forbids leaving the mosque after the adhaan include women, if they are in the mosque?

## **Detailed answer**

Praise be to Allah.

We put this question to Shaykh Muhammad ibn Saalih al-'Uthaymeen, may Allaah preserve him, who replied as follows:

It does not include them, because women are not obliged to pray in jamaa'ah (in the first place).

And Allaah knows best.
