

20019 - Using unperfumed creams during ihram

the question

can we use miswak or unperfumed tooth paste,cream,lotion, petrolium jelly during haj days.

Detailed answer

Praise be to Allah.

If these things are free of perfume then it is not forbidden to use them, because what is forbidden in ihram is perfume or using anything in which there is perfume.

Ibn Qudaamah said, discussing the things that are forbidden in ihram: ... putting perfume on one's skin or clothes (or any cream etc. containing perfume)... because this is not permitted, because it will cling to him and its fragrance will remain.
